

PHOTON SPHERE

**BOURBON BARREL AGED
IMPERIAL STOUT**

◀ BREWED WITH ▶

**HONEY, CINNAMON, VANILLA,

Photon Sphere is a pitch black beer on the edge of The Event Horizon. The gravity here is so strong flavors of cinnamon, vanilla, cocoa and habanero orbit each other around the edge of a chocolate bourbon abyss, shimmering with a twinkle of honey.

Prepare to have your tongue spaghetti-fied.
